## Protect

- ... **our teens** from an epidemic of Rx abuse. Prescriptions and over-the-counter medications are among the most commonly abused drugs by teens.
- ... **our young children** from a leading cause of accidental poisoning.
- ... **our seniors** from misuse and mistakes.

- ... **your home.** People with drug dependency are looking for drugs in medicine cabinets.
- ... **our environment.** Medications disposed of down the toilet, in soil, or in the trash end up in our water supplies and damage our environment.

**For ALL prescription disposal info. & more details, go to: [pncms.org/rxdrugsafety/](http://pncms.org/rxdrugsafety/)**

## Proteja

...a **nuestros adolescentes** de una epidemia de abuso de Rx. Los medicamentos recetados y venta libre se encuentran entre las drogas más comúnmente abusadas por los adolescentes.

...a **nuestros niños** de la causa principal de envenenamiento accidental.

...a **nuestros ancianos** del uso incorrecto y erróneo.

...a **su hogar**. Personas con dependencia a las drogas buscan drogas en botiquines.

...a **nuestro medioambiente**. Medicamentos desechados en el baño o en la basura van a parar a nuestros suministros de agua dañando nuestro medioambiente.
